SUBJECT: House Passes HR 2300: Civil Service
Retirement Spouse Equity Act of 1984

1. On 24 September, the House passed by voice vote under suspension of the rules HR 2300. The title of this bill was amended to read: "A bill to provide retirement equity for former spouses of civil service retirees, and for other purposes."

2. The status of S 2821, a similar bill, remains as earlier reported and it is anticipated that the Senate will approve a measure very similar (if not identical) to the House measure. The Administration supports the House-passed bill and continues to work with the Senate Subcommittee.

3. Attached is the 24 September Congressional Record report of the discussion of HR 2300 and the bill as approved (pages H9979 - H9986.)
